Minitube Australia
Cattle TechDays 2025

AT A GLANCE

As a company dedicated to the further education and advancement of reproductive technologies, Minitube prides itself on offering opportunities for their customers to expand their knowledge base. The TechDays are run twice a year, with a focus on different species each time.

WHAT ARE TECHDAYS? ⌄

Minitube Cattle TechDays aim to bring together the respective parts of the cattle breeding industry for discussion and further learning. From veterinarians, veterinary nurses, technicians, industry bodies and breeders, there is something for everyone!

TOPICS FOR DISCUSSION ⌄

Join our guest speakers for updates on breeding program management, semen collection and assessment techniques, insemination options and artificial reproduction techniques for optimum outcomes.

Reproduction Examinations

Semen Analysis & Timing of Inseminations

Health tips & Management
